Dear Wildcat Supporter,

I hope this letter finds you, your family, and business well. The CCHS Baseball Wildcats are coming off a great season in which we made significant improvement in all areas of our program: on the field, in the classroom, and in our community. Our staff's first season saw our winning percent increase by .204%, batting average rise .56 points, and in all 17 statistical categories improved from the 2018 season. Our players were not only successful on the field, but in the classroom as well- our 3.41 team GPA was led by 11 players with perfect 4.0 years, and 77 study hall hours were logged. Finally, our players were very active and visual in our community. In total our players served 124.5 community service hours in a variety of different areas such as: Sugarmill Elementary, Crooked River Elementary, Woodbine Elementary, Justin's Miracle League, PSA Spring Baseball Tryouts, and First Baptist Church Fall Festival. Our players and staff were also very active in our recreation leagues, helping with tryouts, hosting All-Star practices, and attending the All-Star tournament, while hosting the largest summer camp in the history of the program with 188 total campers.

Sustainability and consistency of growth on the field, in the classroom, and in our community is our goal as we continue to move our program forward. Diligent work by our players and coaching staff will continue to drive our program; however, financial support helps by you, your family, and business supports this effort. The CCHS Baseball Outfield Sign program allows local businesses and to become a part of our program by supporting our players and their effort to become productive young adults in our community, while marketing your business to fans throughout the baseball season.

The sign program helps to supplement our baseball budget and provides for equipment and uniform needs, in addition to allowing us to improve our current facilities. Over the past seasons, we have worked hard to improve our baseball field and facilities and much of our sign program funds go toward that effort. Moving forward, we are looking to continue our field renovations in order for us to provide the best playing surface possible, and top-notch upgrades to make our complex the best Georgia and a source of pride for our community.

Our players understand the role they have in representing our community and work hard each day to live up to that expectation. We also understand that what we do as a team would not be possible without fundraising, donations, and community support. I sincerely ask that you consider a yearly donation to our sign program and a chance to help our program grow. Sign sponsorship is available to you at \$450.00 for the first year and \$250.00 each additional year for as long as you wish to continue the support. Please consider this sponsorship and feel free to contact me with any questions or concerns.

Sincerely,

Brian English
